### Abutilon x hybrida - Chinese Bell Flower

## Party Lights F1

**Plugs are only available in 128 Papertec Trays**

Party Lights Mix displays large 7cm, bell shaped flowers on compact plants. The blooms "look out" for a good show of colour in a clean, primarily pastel mix including apricot, coral, red, peach, rose, pink, ivory and lemon yellow. The light green, multi lobed leaves are similar to the foliage of a maple tree. A dual use plant, Party Lights Mix is perfect for garden containers or as an indoor flowering houseplant. The plants bloom continuously indoors or out, even in high temperatures. Party Lights Mix is ideal for 10cm pots, hanging baskets and colour bowl production. Garden height 35-50cm.

1001 mix
