Goblin - buttercup yellow

Moonlight

Unique cool lemon yellow colour, dwarf. Height 5cm.

Moonlight - lemon yellow

Chrysanthemum paludosum

Snowland

Dwarf

An early, dwarf, larger flowered paludosum type with uniform plant habit. Flower size is 3.5-4cm. Snowland has a clear white flower with a yellow centre disk. It has excellent pack performance making it good for spring bedding plant sales.

Snowland - white - yellow centre

White

Not Suitable for Potted Colour
