

### Heuchera micrantha - Coral Bells

#### Melting Fire

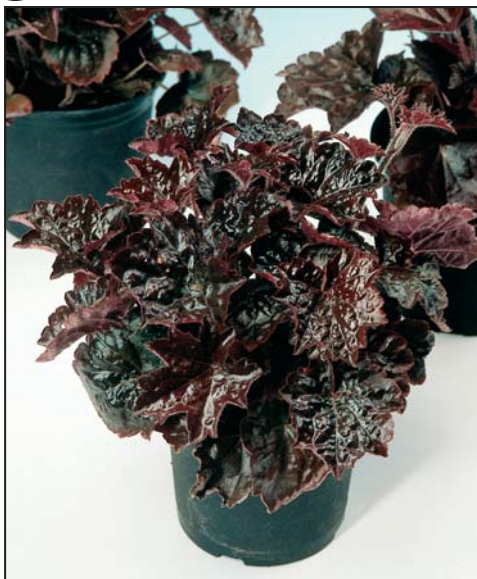

Beautiful large plant, strong curled leaves with intense purple-red colour. The young leaves on a full grown plant are bright blood red, creating an exciting "hot" centre in each plant. Best curled red in the market. Height 45cm.

5074 melting fire

#### Palace Purple

Attractive deep crimson foliage with airy panicles of tiny bell shaped, creamy white flowers. Flowering from January to March. Height 60 cm.
