Flower Association of Queensland Feature Article – March 2008 Release

A series, Pomponi, shows that gerbera breeders still have plenty up their sleeve.

As the name suggest, Pomponi is a mini cut flower gerbera from Florist with pompon shaped double flowers, which are reminiscent of a dahlia. The Pomponi differentiate themselves with their extra-full-double flowers. The end-product is certainly cheerful.

The Gerbera Pomponi “Sponge Bob” is a lovely yellow Pomponi with good production and vase life.
